Visa procedure (MVV)

STEP 01

Receive a welcome email with visa information from the Central Student Administration (CSA)

STEP 02

Upload all the necessary documents in our iGO portal to become admissible to the study program. CSA will check your documents

STEP 03

If admissible, you will receive a Letter of Admission including an invoice. Make sure to pay all visa fees before our deadlines and meet all the requirements that are mentioned in the Letter of Admission

STEP 04

From 1st of May (Sept intake)/ 1 October (Feb intake) CSA starts with applying for your visa and Dutch residence permit' at the IND*

** IND stands for Immigration and Naturalisation Service. It is therefore the immigration office of the Netherlands.*

STEP 05

The IND processes your visa and Dutch residence permit application. This usually takes between 2-6 weeks

STEP 06

We inform you by email when we receive an approval from the IND

STEP 07

You schedule and go for an appointment at the Dutch embassy/consulate in your country

STEP 08

Receive the visa sticker in your passport and afterwards book your flight

STEP 09

After your arrival in the Netherlands you need to pick up your Dutch residence permit card. The IND will inform us and we will send you an email on how to pick up your Dutch residence permit card

STEP 10

Now your visa process is complete!
