

Residence permit procedure (VVR)

STEP 02

Upload all the necessary documents in our iGo portal to become admissible to the study program. CSA will check your documents

STEP 04

From 1st of June (sept intake)/ 1 November (Feb intake) CSA starts with applying for your Dutch residence permit at the IND*

**IND stands for Immigration and Naturalisation Service. It is therefore the immigration office of the Netherlands.*

STEP 06

We inform you by email when we receive an approval from the IND

STEP 08

After your arrival in the Netherlands, you have to schedule an appointment at the IND to provide your biometric details. CSA will inform you about this

STEP 10

Now your Dutch residence permit process is complete!

STEP 01

Receive a welcome email with visa information from the Central Student Administration (CSA)

STEP 03

If admissible, you will receive a Letter of Admission including an invoice. Make sure to pay all fees before our deadlines and meet all the requirements that are mentioned in the Letter of Admission

STEP 05

The IND processes your Dutch residence permit application. This usually takes between 2-3 weeks

STEP 07

You can then book your flight and come to the Netherlands

STEP 09

Once your Dutch residence permit is ready, the IND will inform us and we will send you an email on how and where to pick up your Dutch residence permit card
