Conditions

- Please note that the graduation date should be before 1 Februari 2021 or 1 September 2021 (depending on study start date) for students to be able to enrol at NHL Stenden University of Applied Sciences.
- Students will have to hand in a certified copy of their diploma and final grade sheet before the start of the study programme. Documents that are not written in English, Dutch, French or German need to be translated to one of these languages by a sworn translator. The copy of the original document and the translation have to be certified together as one document. A certified copy is a copy which is authentically stamped and signed by an authorized representative of the school/university or other local authority such as a notary to prove the authenticity of the document.
- The use of this graduation statement is limited to students who are eligible for a diploma from Vietnam or Zimbabwe.
