

“You don’t have to figure it out alone.”

Our Mission

To support students in successfully **transitioning from education to employment** by providing guidance, opportunities, and connections with employers

Our Contact

Feel free to reach out to us with any questions or if you need support. We’re here to help—don’t hesitate to get in touch!

STUDENT CAREER HUB

A place dedicated to support students of NHL Stenden University of Applied Sciences in navigating the transition from university to the labour market.

Why Choose Us?

Your career journey starts with one step - let us help you take it.

We provide personalised support to help you confidently take the next step in your career. From **finding internships and job opportunities** to **improving your CV** and **connecting with employers**, the Student Career Hub is here to guide you every step of the way, especially as an international student navigating a new job market.

ABOUT US

The Student Career Hub (SCH) is a **student-led initiative** that supports NHL Stenden students in **preparing for internships, part-time work, and early-career opportunities.**

Through guidance, resources, and partnerships with organisations such as Make It In The North, the Student Career Hub aims to make career support more accessible and visible to students.
